

PowerTeacher

You will use PowerTeacher on a daily basis to help you manage your students' information. PowerTeacher makes it easy to take attendance, record meal requests, look up staff directory information, manage grades and print reports. Log in at <http://www.meadsd.net/teachers>.

Taking Attendance

1. Click the chair next to class for which you want to take today's attendance.
2. Select the appropriate attendance code from the Current attendance code menu to indicate which students are absent or tardy.
3. Click the cell next to an absent or tardy student's name to assign that code.
4. Click **Submit** to save the attendance record. The indicator next to the chair is now green.

Note: if all students are present, you will still need to click the chair to open the attendance screen and click **Submit** to save.

If you teach more than one class during the same period you can take attendance for all of the students in the classroom at the same time by clicking the **Record MultiMeeting Attendance for Multiple Sections** options at the top of the page.
