- **Cost: \$55**
- **Friday, November 5:** Last day to purchase your yearbook.

### Senior Picture Specifications

**Due: Thursday, October 7, 2010**

1. Traditional poses only. No glamour shots or MySpace/Facebook type photos.
2. No hats of any kind for either girls or boys.
3. Props are fine as long as they do not detract from the senior. Nothing objectionable will be accepted. Please call if you need clarification.
4. The yearbook adviser does reserve the right to refuse a photo based on appropriateness and quality. You will be notified if this situation arises.

### Submission process

1. *Photos will be accepted on either a non-returnable CD or as a professional hard copy. Photos on thumb drives or by emails will not be accepted.*
2. Verify with your photographer that sending in the photo is part of your package.
3. For studios/professional independent photographers, label by senior's complete name. Include your business contact information.
4. For all other private submissions, the senior's name and contact number must be included.

### Technical specifications

1. 2 inch x 3 inch vertical with a 1inch head shot. Horizontal shots will not be accepted.
2. 300 dpi
3. CMYK
4. Color and B/W are accepted; the book is printed in color.
5. Please do not crop the photo. The staff is quite proficient in making your child the focal point of the photo.
6. Photos that are just of the head will not be accepted. With the focus only on eyes and teeth, it is not an attractive photo of anyone. Shoulders and some background need to be included.

If you are unable to provide a senior photo due to family emergencies or economic reasons, please call the yearbook office. Our goal is to have every senior included.
